HERE'S WHAT'S HAPPENING

SUNDAY, MAY 9, 2021

WORSHIP SERVICE UPDATE

Beginning Sunday, May 16, we will no longer ask for pre-registration for worship services or childcare.

We feel that we have reached a point where we can still monitor physical distancing and safety protocols with our number of attendees without asking attendees to pre-register. We hope you'll join us for in-person worship!

WON'T YOU JOIN US FOR CHOIR?

The Winfree Choir is ready to reconvene! Those who are willing to return to rehearsal will agree with one another to be fully vaccinated, Covid free, with no known recent exposure to the virus. Our choir has not met on a regular basis in 14 months(!) and so much of what's coming up will feel "new" for everyone, so... is this the right time for you to do a "new thing" and explore participation in this excellent group? Why not have a conversation with our director, Dr. Weaver, soon (794-5031)!

Know someone with a background in bookkeeping and finance? Winfree is seeking to fill the position of full-time financial administrator. View the full job description at winfreechurch.org/jobopenings. Please email resumes to office@winfreechurch.org.

FREE SHREDDING! SAT., MAY 15 • 9 - NOON

Bring up to 2 full paper grocery bags. Shred-it trucks will be at the Winfree parking lot to shred on site.

VIRTUAL BUSINESS MEETING

Join in on Tuesday, May 18th at 7pm!

Link and meeting info will be sent out soon.

SUNDAY SCHOOL CLASSES ARE BACK FOR ALL AGES!!

We are still practicing safety precautions for our Sunday school class meetings (i.e. masking, sanitizing, and distancing). Visit www.winfreechurch.org/biblestudies to see the classes currently meeting at Winfree.

MIDDLE DISTRICT SCHOLARSHIP

MDBA has extended the application deadline for the $1000 Education Scholarship until May 15.
